CROWD MANAGEMENT TRAINING

Event Managers in conjunction with the Florida Fire Marshals and Inspectors Association will be conducting your required crowd management training class for owners, operators and crowd managers of places of assembly including stadiums, nightclubs, lounges, etc...

The Florida Fire Prevention Code requires that all places of assembly must have at least (1) crowd manager or crowd manager supervisor. Where occupant loads exceed 250, additional crowd managers/supervisors may be required at the ratio of 1 crowd manager/supervisor for every 250 occupants (NFPA 101, Section 12.7.6).
